Safety

The safety of our valued Customers and Employees is of the highest importance to us. We are continuing to take all the precautionary measures such as sanitizing/disinfecting our showroom and all public areas throughout each day.

Travel restrictions have been implemented for our staff. We have cancelled all attendance to any conventions, courses or shows for the foreseeable future.

Our staff have been informed on all the safety protocol that we have put in place. They have also been instructed to stay home if they feel ill.

We have implemented and are requesting our Customers and Employees to follow the [CDC Social Distancing](#) requirements.

We are waiving our requirements of signatures on all handheld devices, contracts and delivery forms during this COVID-19 pandemic. Our staff will be writing/typing in the name of the customer instead and this will be considered a binding signature.

The Rent-It Store will keep our Customers up-to-date on any policy changes or changes to our Hours of Operation on this page and on our Social Media Sites such as Facebook, Instagram and Twitter.

Rentals

We remain OPEN for business.

At this time our showroom remains OPEN to the Public.

Please follow our Social Media or contact us at 306 652-0101 to confirm this on a day-to-day basis.

Customers are welcome to call us at 306 652-0101 to place an order for tools or equipment they require.

Quote requests can also be placed on our website using the “Add to My Cart” button. You will receive a quote via email. At that point please email us back with details on how you would like to be contacted. We will then contact you with further details on how to make your equipment reservation.

Each piece of equipment on our website has this button attached for your use. We will respond as quickly as possible.

Delivery and pickup options are available with further details appearing on our Social Media Sites.

We would like to say Thank you to all our Customers and Employees during these uncertain times.

As our lives are changing on an hourly basis, we want everyone to take appropriate precautions and stay safe.

We will come out of this stronger!
